With the support of the
Erasmus Mundus Programme
of the European Union.

Entrepreneurship and Management Training

in Science, Technology, Engineering
and Mathematics (EM2-STEM)

EM2-STEM offers scholarships in higher education for study, research and professional exchange between the European Union and the Western Balkans.

This high profile opportunity provides students and staff working in STEM fields the opportunity to apply for an exchange scholarship supported by the European Commission's Erasmus Mundus Programme.

SCHOLARSHIPS AND DURATION OF MOBILITY

TYPE OF MOBILITY	DURATION	MONTHLY ALLOWANCE
Undergraduate	from 1 semester to 1 academic year (max 10 months)	1.000 € per month
Masters	from 1 semester to 1 academic year (max 10 months)	1.000 € per month
PhD	from 18 months to 24 months	1.500 € per month
Post-Doctorates	one academic year (10 months)	1.800 € per month
Staff	one month	2.500 € per month

THE SCHOLARSHIP INCLUDES

- a monthly allowance (see above)
- tuition fees of 3.000 € per year (if mobility exceeds 9 months and 30 days)
- insurance (travel, health, accident)
- travel costs.

There are opportunities for students and staff from institutions that are members of the partnership and to others in the Western Balkans (visit the website for more information).

Undergraduate, Masters, Doctoral and Post-Doctoral level mobilities must commence before 31 December 2011. Staff mobilities may start at anytime within the project.
